STARTER KIT

We believe that within five miles of every campus, God has already provided the resources to reach that campus for Jesus Christ. It might be a student, a church or churches, alumni, a faculty member, or a key volunteer.

You might just be the one that God has placed on your campus to reach it for Christ.

Picture this happening on your campus:

- Lost students being transformed by the gospel of Christ (Colossians 1:13-14)
- Christians being transformed in 'grace and truth relationships' (Ephesians. 4)
- The campus and world being transformed by laborers who are sent (Matthew 9:37-39)
